

GALIDINNE VENKATESWARA RAO

Data Science Graduate | Python | Generative AI & Agentic AI | Pega CSA & CSSA

Venkateswararaogalidinne9@gmail.com | +91 9705695719 | Kondapur,Hyderbad

CAREER OBJECTIVE

Aspiring technology professional with a background in Data Science, skilled in Python, Generative AI, Agentic AI, and Pega. Seeking to apply my technical knowledge and problem-solving skills to build innovative solutions and contribute to organizational growth.

ACADEMIC PROJECTS

JOB PORTAL | PYTHON, STREAMLIT & SUPABASE

- Developed a full-stack Job Portal application using Python and Streamlit, providing features for job seekers to browse, search, and apply for available job opportunities.
- Integrated Supabase database to securely store and manage user details, job listings, applications, and related application data with efficient database operations.
- Implemented job posting, search and filtering, application management, and user-friendly UI features, creating an efficient platform for interaction between recruiters and job seekers.

Multi-Scale RNN–Transformer Hybrid Model for Fine-Grained Plant Disease Recognition in the Wild [CNN & RNN | PYTHON]

- Developed a Multi-Scale RNN–Transformer Hybrid Model for accurate plant disease detection in real-world agricultural conditions.
- Combined CNN-based multi-scale feature extraction, RNN, and Transformer attention to capture local, sequential, and global features effectively.
- Built a complete pipeline using PyTorch, including data preprocessing, augmentation, model training, and evaluation for robust and scalable performance.

CERTIFICATIONS

- Pega Certified Senior System Architect (CPSSA 25) — February 2026
- Pega Certified System Architect (CPSA 24.2) — July 2025
- NPTEL – Python for Data Science (IIT Madras) — Certified
- Python Essentials 1 – Cisco Networking Academy

SKILLS

- **Languages:** Python, HTML, CSS
- **Generative AI:** Generative AI, Agentic AI, Prompt Engineering
- **Technologies:** Machine Learning
- **Web Development:** Streamlit
- **Database:** MySQL, Supabase
- **Pega:** Pega Dev Studio, Case Management, Workflow Automation
- **Soft Skills:** Problem Solving, Communication, Teamwork, Adaptability, Quick Learning

EDUCATION

B.Tech in CSE – Data Science | KKR & KSR Institute of Technology and Sciences

CGPA: 8.41 | Academic Years: 2023 – 2026

Diploma in Electrical and Electronics Engineering | Kallam Haranadhareddy Institute of Technology

CGPA: 7.30 | Academic Years: 2020 – 2023

Secondary School Certificate (SSC) | Jubilation High School

CGPA: 9.60 | Academic Year: 2019 – 2020

ADDITIONAL INFORMATION

- **Languages:** Telugu, English
- **Professional Strengths:** Self-Motivated, Quick Learner, Problem Solving, Adaptability
- **Interests:** Generative AI, Agentic AI, Data Science, Python Development

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
